

DPS CLOSURES & DELAYS

DELAYED STARTS: Discovery Link morning programs will be delayed 1 hour on delayed starts days. Programming will begin at 7:30 am instead of 6:30 am.

AFTER SCHOOL CLOSURES: On days the District cancels After School Activities, all Discovery Link Programs will be offered for one hour after the school bell time. For example, a school with a bell time of 3 pm would offer Discovery Link from 3 pm to 4 pm. ELCS Enrichment and ELCSports will be canceled.

- The one-hour program may not be an option for schools with afternoon bells of 3:45 pm or later, depending on the weather conditions/forecast. Please reach out to your school's ELCS Program Supervisor for more information.
- ELCS can cancel this offering at any point to ensure families and staff can get home safely.

FULL DAY CLOSURES: On days the District cancels school, Discovery Link, ELCS Enrichment, and ELCSports will also be canceled.

Discovery Link does not issue credits for any days that DPS is closed due to district-wide or school closures for events such as inclement weather.

Please refer to our family handbook for more information.

You can find more information about inclement weather and closures on the [DPS Homepage](#).

Snack

Parents are required to provide a healthy snack for the students attending the after school program. Due to many students with severe allergies, we are asking for snacks to be Peanut and Tree Nut free. Discovery Link will NOT be providing snack for students this school year.
